

Rebuttal to the Argument Against Measure C

Measure C is the measure by Citizens, for Citizens, for Cupertino.

Measure C cleans up the General Plan and is a clear blueprint to guide sensible, thoughtful development and keeps Vallco for shopping and entertainment in Cupertino instead of turning it into a massive office development.

The arguments AGAINST Measure C are propaganda.

Sadly, the “impartial analysis” printed nearby is **not independent**. Instead, it is a rehash of talking points from big-money developers by the City Attorney. Now it appears the City Attorney is doing the bidding of developers instead of watching out for Cupertino voters who pay his salary.

The law is clear that arguments FOR Measure C are part of Measure C’s legal meaning.

Measure C allows renewal of Vallco as a place for enjoyment. ***With Measure C, Cupertino could have the go-to place we deserve for shopping, dining, gathering, and entertainment!***

Vote **Yes on C**, the citizens-sponsored initiative.
Vote **No on D**, a developer-sponsored initiative.
