Interested in greening your power supply and saving money on your utility bill?

Join the Silicon Valley Community Choice Energy Partnership’s Community Meeting to learn about this initiative and its recent technical study findings. The meeting will be held on November 30, 6 - 8 pm in the Bay Room of the Cupertino Senior Center.

The City of Cupertino, through its partnership in the Silicon Valley Community Choice Energy (SVCCE) Partnership, is studying opportunities to buy cleaner, greener electricity at competitive rates. Santa Clara County communities will soon vote on this initiative, which will pool the electricity demand of residents and businesses and buy cleaner power at competitive prices, helping to green our grid and achieve agencies’ Climate Action Plan goals. For more information on SVCCE please visit www.svcleanenergy.org.

SHARE YOUR INPUT: Please consider joining the Silicon Valley Community Choice Energy Partnership’s second community informational meeting on Monday November 30, 6 pm, at Cupertino Senior Center, Bay Room, 21251 Stevens Creek Blvd, Cupertino, CA 95014. This is your opportunity to learn about the partnership, findings from its third-party technical study, and share your ideas on the development of this program with city staff. Light refreshments will be provided.

Unable to attend? Please visit svcleanenergy.org/events/upcoming for additional event dates and locations throughout Santa Clara County. Please also visit cupertino.org/svcleanenergy to learn Cupertino City Council’s upcoming dates for decision making to advance SVCCE in our community.
The City of Cupertino is hosting a workshop to solicit public input for an update to the Cupertino Bicycle Transportation Plan. What is your vision for bicycling in Cupertino? What are your concerns for bicycle access or safety? Come learn about the plan process, how you can get involved, and share your thoughts on bicycling in Cupertino.

If you are unable to attend the meeting, but would like to provide feedback, you may email David Stillman, Senior Civil Engineer, at DavidS@cupertino.org.

**CITY OF CUPERTINO BICYCLE TRANSPORTATION PLAN WORKSHOP**

**Date:** Tuesday December 1, 2015  
**Time:** 6 - 8 pm  
**Location:** Cupertino City Hall, 10300 Torre Avenue
Have a Safe Holiday Season

According to the national safety agencies, the upcoming holidays are a prime source of accidents, injuries, and fires in and around the home. We want you to consider the safety of you and your family in your preparation for the holidays and while you are enjoying them. Keep your family safe and secure by keeping in mind the following:

Driving: Lots of parties happen this time of year and driving while under the influence of alcohol not only endangers you but everyone else as well. Be smart and do not drive if you have had too many drinks. Better yet, have one person in your party be the designated driver or use a cab service when consuming alcohol.

Decorating: For all your holiday decorations, including artificial Christmas trees and ornaments, look for fire retardant materials and buy only UL rated lights and decorations. Low voltage LED lights are sure to make the top picks for new safe selections this year. Make sure all your old lights and extension cords are not frayed or don’t have defective sockets. If they do, replace them. Do not overload outlets with too many plugs. Be safe on ladders around the home when putting up lights on the house or trees.

Fireplace Fires: Make sure you have a spark screen in place when burning wood in a fireplace. Do not burn pine or other sappy woods which cause sparks and embers to pop and coat your chimney with creosote. Be sure to test your smoke detectors and replace batteries if needed. Batteries should be replaced twice a year. Put the used batteries in electronic toys or gifts.

Candle Safety: Candles brighten up the holidays and send scents of holidays through the air. There is nothing that makes a house smell more festive than a pine-scented candle. The holiday season certainly is a time when candle usage increases dramatically and is also a time when the number of house fires due to careless candle usage almost doubles. To keep you and your family safe from a fire due to candle mishaps, here are a few safety tips.

- Always use sturdy candle holders that will not tip or burn.
- Burn candles on uncluttered surfaces and out of the reach of small children.
- Keep burning candles at least one foot away from combustibles such as holiday trees and curtains.
- Do not leave candles unattended. When you go out or go to bed, blow it out!
- Consider battery-operated artificial candles when possible.

Safety Gifts for the Holidays

Don’t know what to get for the person with everything? Consider disaster supplies. The top five items for earthquake safety are: a flashlight, a portable radio, water, long expiration dated food, and a first aid kit. The combo radio, flashlight, and cell phone charger is a great gift! For those people who do not have any supplies yet, there are prefilled emergency kits in a bucket or a backpack available on-line and in home repair stores. And don’t forget a fire extinguisher for your home and garage.

Get Safety Trained

Upcoming Public Sessions:

FREE! Earthquake Preparedness and Home Safety. The class is one hour and is scheduled on request for Cupertino businesses, churches, or social groups of eight or more. This class can come to you! Contact the Cupertino Office of Emergency Services (OES) at 408.777.3335, email OES@cupertino.org for more information, or to request a class for your company, group or organization.

FREE! Personal Emergency Preparedness Class (PEP) offered by the Santa Clara County Fire Department. The class covers Earthquake safety, Disaster preparation, Disaster communication tips, First aid techniques that save lives, Home safety, Fire Safety including how to use a fire extinguisher, Emergency supply suggestions - and more! The PEP class is on January 20, 2016, 4 - 7 pm at the Campbell Community Center, Orchard City Banquet Hall, 1 W. Campbell Avenue, Campbell and the NEW Senior PEP, is scheduled on January 30, 9 am – 1 pm at the El Monte Fire Station, 12355 El Monte Road, Los Altos Hills. For registration e-mail, at info@cnt.sccgov.org, (provide your full name, e-mail address, phone number and residential or work address) or contact the Santa Clara County Fire Department at 408.378.4010.

Community Emergency Response Team (CERT) class. This is the perfect time to learn to be part of the disaster response solution. This is an intensive training session by the Santa Clara County Fire Department on preparedness and helping others during a disaster. The course is offered four times a year and you will have one-year to make up any missed sessions for graduation. You may attend the final exercise once all six sessions have been completed. We encourage all Cupertino residents to attend this worthwhile training. The next class runs January 12 - 28, 2016, from 6 - 9 pm with the final hands-on and graduation on January 30 from 9:30 am - 12:30 pm. All classes will be held at the Campbell Community Center, Orchard City Banquet Hall, 1 W. Campbell Avenue, Campbell. The registration fee is $35 which will be reimbursed to Cupertino residents upon successful completion of the course. If you have questions or want to register contact: info@sccfd.org or 1.408.378.4010.

If you do only one thing to prepare this month:

Make a New Year’s Resolution to take an Earthquake Preparedness and Home Safety class or a PEP class.
It’s December and the holidays are coming. Relatives gather - some from out-of-state - some from overseas. Students have two week breaks or longer from school and college. Maybe there will be snow in the mountains this year and some will go skiing. What are some other things that families can do with visiting relatives and children?

In almost every city in the Bay Area there are historic homes that have been preserved and some are highly decorated for Christmas. Most are big Victorian homes, when families were large and had servants and there were many hands doing all the extra work connected with holiday decorating and cooking. Nowadays hundreds of volunteers decorate and help with tours through these homes. It’s really a treat to see these Victorian “ladies” all decked out with greenery, big Christmas trees with dozens of ornaments, poinsettias, garlands and maybe cookies and cider for guests.

Close to Cupertino is the Ainsley House in Campbell, which always looks lovely at Christmas-time for those who go through on tour. Dunsmuir-Hellman House in Oakland is a 16,000 + sq. ft. Victorian treasure that is a wonder to see. Both of these homes may not interest small children, but the next two places welcome children with animals, crafts and sometimes, games.

Ardenwood in Fremont is a very large property featuring farm animals and the Patterson House. There are holiday events listed on-line.

Wilder Ranch in Santa Cruz is part of the state park system. Wilder also has a big Victorian farm-house and lots of animals in the nearby barns and corrals. Gentlemen will find the machine shops on the property especially fascinating. Wilder Ranch was like a small town and the men made many of the tools and things needed to run this extensive acreage. The power to run the machinery comes from a nearby spring and creek that has never run dry in over a hundred years. Demonstrations and tours are a delight for everyone.

All these properties are listed on-line regarding open hours, tours and events for the month of December and also the rest of the year. For those who love the beautiful, traditional music and carols of Christmas, many local churches have special programs in December, on Christmas Eve and throughout the month, large choral groups often do Handel’s Messiah “sing-alongs” which are very well attended. Don’t forget to stand at the Hallelujah Chorus! (a tradition dating from King George II). You can gather family and friends together and read Charles Dicken’s “A Christmas Carol”, a holiday favorite. And what child doesn’t like to help bake and decorate cookies! Then a fun thing to do is take a little bag of cookies to an elderly shut-in or someone else who can’t get out much.

So when the stores are too crowded and the traffic is in gridlock in the parking lots and moths are starting to fly out your wallet (where did all that money go, anyway....?) take a break and enjoy some less commercial activities and make some memories for yourself, family and friends... and as Tiny Tim exclaims to Ebenezer Scrooge, “God bless us, every one!”

Notice a new splash of color on your morning commute along De Anza Boulevard? As part of Cupertino’s 2015 Earth Day Festival, the City collaborated with local art school Hongyun Art and the Fine Arts Commission to transform once gray utility boxes into student eco-art canvasses for our whole community to enjoy.

The recently completed pilot, modeled after efforts in adjacent jurisdictions, sought to showcase our City youth’s creative talents and to promote a culture of conservation in Cupertino. Cupertino residents from ages four to eighteen were invited to submit entries that answered the question: What can all Cupertinians do to conserve valuable resources like energy and water, reduce waste or prevent pollution? Student artists will be recognized at an upcoming Council meeting for their talents and artistic contribution to our great green City. Email sustainability@cupertino.org for more information.

Winter Woodburning Tips
Fireplaces and woodstoves are a major source of air pollution during the winter months. Wood fires contribute up to a third of the particulate matter in the air on cold, still nights, causing a special health concern for children, seniors and people with respiratory problems. Take care not to burn wood during Spare the Air Alerts, the days when air quality is particularly bad. It is illegal to burn wood, firelogs or pellets in your fireplace, woodstove, or outdoor firepit on Spare the Air Days. Sign up for automatic alerts by visiting www.sparetheair.org.

“Green” Your Holiday Season!
Between Thanksgiving and New Year’s Day, the volume of household waste in the United States generally increases 25%—about one million extra tons! Reduce your eco-impact this holiday season by making reusing, reducing and recycling part of your holiday tradition. Here are a few tips:

Reuse and Reduce: Save money and resources by reusing or repurposing items in a creative way. Transform used items into new decorations or gifts. If buying items, check out your local thrift store before buying new. When hosting holiday celebrations, serve food and refreshments in reusable dishware.

Christmas Trees: Christmas trees will be collected from homes on regular collection days during the month of January. Cut trees into 5-foot lengths, remove all decorations and stands, and place trees in your brown yard waste cart or at the curb. Apartment and condominium complexes should collect trees in a central location; managers should call Recology when the complex is ready for tree pick-up: 408.725.4020. Flocked trees are also accepted for composting.

Cardboard: Cardboard boxes can be placed in the blue recycling cart or flattened, tied together and placed alongside the cart. Boxes must be flattened and cut into 3 foot by 3 foot pieces.

Styrofoam: Blocks of Styrofoam, Styrofoam peanuts, and any other expanded polystyrene (EPS) foam materials are not accepted in the City’s recycling program. UPS stores will accept Styrofoam “peanuts” for recycling. The closest stores are 20660 Stevens Creek Blvd, 408.213.219; and 1072 S. De Anza Blvd, 408.253.6561.

Wrapping paper: Gift wrapping paper is recyclable—include it in your curbside recycling container. However, plastic-coated and foil wrapping paper, ribbons and bows cannot be recycled.

Extra Holiday Garbage?
If you do generate extra trash this season, you can use your On-Call Disposal Days: Cupertino residents have two free On-Call Disposal Days for large amounts of trash. Schedule a Disposal Day by calling Recology: 408.725.4020. Email environmental@cupertino.org for details.
Safe Routes to School - Cupertino’s Guide to Getting Around

As part of the City’s new Safe Routes to School Initiative, there have been some recent infrastructure changes to our streets, specifically near schools, to improve safety conditions for our student travelers. We understand new infrastructure changes bring new usage questions, and with this article we hope to clarify any confusion and ensure everyone is properly taking advantage of these City street improvements.

### RECENT CHANGES INCLUDE:

1. **GREEN BIKE LANES**
   - **Select Existing Locations:**
     1. McClellan Road in front of Lincoln Elementary School and Monta Vista High School
     2. Stevens Creek Blvd between Mary Avenue and Foothill Blvd
     3. Homestead Road in front of Homestead High School
   - **Purpose:** These lanes are designated spaces for people on bicycles to ride separated from sidewalks and cars.
   - **What to Do:** Ride in green bike lane like you would any other bike lane. Proceed into and out of the lane with caution, and always signal when switching out of the bike lane. Dashes in the green bike lane indicate the allowance of right-turning cars to merge into the bike lane.

2. **SHARRROWS**
   - **Select Existing Locations:**
     1. Rainbow Drive between Stelling Road and Bubb Road
     2. Tantau Avenue between Stevens Creek Blvd and Bollinger Road
   - **Purpose:** To indicate a lane that is shared between cyclists and vehicles. This marking is installed in the travel lane to show where people are expected to cycle and bring a mutual awareness between bicyclists and drivers.
   - **What to Do:** Use the sharrow to guide where you ride within the lane. Follow the rules of the road as if there were no sharrrows.

3. **BUFFER ZONES**
   - **Select Existing Locations:**
     1. Stevens Creek Blvd between De Anza Blvd and Highway 85
     2. Bubb Road near Kennedy Middle School
   - **Purpose:** A painted 2-foot zone between the bike lane and moving vehicle lane provides additional separation between cars and bicycles. The bike buffer zone enhances safety for cyclists on the road.
   - **What to Do:** For cyclists, this buffer zone should increase the feeling of comfort when riding next to cars.

4. **“NO TRUCK” SIGNS**
   - **Select Existing Locations:**
     1. McClellan Road between Stelling Road and Byrne Avenue
     2. Bubb Road near Kennedy Middle School
   - **Purpose:** These signs are posted to indicate areas where trucks over three tons are not allowed to drive during school drop-off and pick-up times.
   - **What to Do:** When driving a truck over three tons, do not enter an area where these “No Truck” signs are posted during the hours indicated.

Poetry Party: A Fun Workshop for the New Year

Let one of your New Year’s resolutions be to enjoy more creativity in your life. Cupertino’s new Poet Laureate, Amanda Williamsen, will host her first Poetry Party workshop, “Resolute Creativity,” in the Library Story Room on January 14, 2016 at 7 pm. In a fun and affirming atmosphere, adults and teens will read and write poems while exploring ways to include creativity in our everyday lives. Experienced poets, new poets, and soon-to-be poets are all welcome. Amanda will serve as Cupertino’s Poet Laureate from 2016 - 2018. She has taught writing and literature in elementary schools, high schools, and universities, and she looks forward to sharing the joys of poetry with our city. She has been described as “approachable,” “engaging,” and “truly terrible at catching Frisbees.” Come and meet our new Poet Laureate at this fun and friendly event.

State of the City 2016
The Cupertino Chamber of Commerce in cooperation with the City of Cupertino and the Cupertino Rotary will host its annual State of the City Address on January 27, 2016 from Noon to 1:30 pm, at the Quinlan Community Center, 10185 N. Stelling Rd., Cupertino. Mayor of Cupertino will make a presentation that will address Cupertino’s many accomplishments and advances as well as the challenges the City faces with its programs, projects and finances. The program will also include presentations of Public Safety Officer of the Year Awards by Chamber President Mike Rohde. These annual awards recognize public safety officers for making a difference. The recipients for the awards are selected by the Santa Clara County Fire Department and Santa Clara County Sheriff’s Department that serve the Cupertino community. For more information and to make reservations please visit Cupertino-Chamber.org

Cupertino Teen Commission
Looking for Teen of the Month
Do you know a teenager who is doing extraordinary work like setting up donations, helping out those in need or helping behind the scene? Cupertino Teen Commission is looking for your input for a teen of the month award. Readers can ask their teachers and high schoolers should check their school loop for a survey.

Resident Permit Parking

For residents living on a street with permit parking only

For residents that live on streets with permit parking, your current resident permit parking decals (purple color) will expire December 31, 2015. New permit parking decals and guest hangers will be available November 18, 2015. Residents can register online at: cupertino.org/parkingpermit Register before December 14, 2015 to receive your new permit parking decals and guest hangers before year-end. If you do not have access to the internet, please contact the Public Works Department at 408.777.3354 to make other arrangements to receive your parking permits for 2016-2017. Please note that this message only applies to residents living on a street with permit parking.

HAPPY HOLIDAYS!

From everyone at the City of Cupertino
