Explain fully and clearly the details of your complaint. (Attach additional pages if necessary and any supporting documentation)

SJWC overcharged all of its customers on the Service Charge rates. SJWC increased the Service Charge rate prior to the CPUC's approved effective date. SJWC modified its billing practice at some point in the past from billing the service charge in advance to billing the service charge in arrears. For the billing period that included the effective date of that change, SJWC double-billed its customers. From the effective date forward, SJWC failed to prorate the service charge when a service charge rate increase occurred. See Attachments.

SJWC has discriminatory billing practices, excessive rate increases, record earnings, excessive use of advice letters, money and land transfers between SJWC, SJW Land, SJW Group and a general lack of transparency.

I am requesting the hearing be held within 10 miles of Saratoga, CA 95070.

(G) Scoping Memo Information (Rule 4.2(a))

(1) The proposed category for the Complaint is (check one):

☐ adjudicatory (most complaints are adjudicatory unless they challenge the reasonableness of rates)

☒ ratesetting (check this box if your complaint challenges the reasonableness of a rates)

(2) Are hearings needed, (are there facts in dispute)? ☒ YES ☐ NO

(3) ☒ Regular Complaint ☐ Expedited Complaint

(4) The issues to be considered are (Example: The utility should refund the overbilled amount of $78.00):

The CPUC must ascertain the specific date that this modification to the billing practice was implemented. The CPUC must then require SJWC to compensate its ratepayers not only for the double-billing charged during the billing period of transition, but also for the cumulative total of the difference between the new service charge and the appropriate prorated service charge for each service charge rate increase that occurred from the modification date until now plus interest.

The CPUC must also perform a thorough formal, forensic audit on SJWC, SJW Group, and all of its subsidiaries for the reasons stated in section F.
(5) The proposed schedule for resolving the complaint within 12 months (if categorized as adjudicatory) or 18 months (if categorized as ratesetting) is as follows:

Prehearing Conference: Approximately 30 to 40 days from the date of filing of the Complaint.
Hearing: Approximately 50 to 70 days from the date of filing of the Complaint.

Explain here if you propose a schedule different from the above guidelines.

(H)
Wherefore, complainant(s) request(s) an order: State clearly the exact relief desired. (Attach additional pages if necessary)

CPUC should require SJWC to refund all its customers the double-billing charged during the billing period of transition, and also refund the cumulative total of the difference between the new service charge and the appropriate prorated service charge for each service charge rate increase that occurred from the modification date until now plus interest. This is most likely in excess of $13 million.
