**Grant Award: Cupertino Receives Significant Funding Award for an All-Inclusive Playground at Jollyman Park**

The Santa Clara County Board of Supervisors voted on December 18, 2018, to award a grant to Cupertino for creation of an all-inclusive playground, possibly at Jollyman Park. The grant will be funded through the County’s All-Inclusive Playground Grant Program (see attached email from County staff). Cupertino’s proposal won a grant of $1,448,201, the second highest funding award in the County. Cupertino’s grant application was one of the two highest scoring in the County and the highest scoring proposal in our district.

Next steps are for staff to bring this funding opportunity to the City Council for direction once the appropriate agreement is received from the County—expected in February 2019—and to research fundraising opportunities for the project.

**San Jose Water Company (SJWC) Refunds Going Out to Customers**

As early as next week, SJWC will be issuing one-time refunds to customers of the water system owned and maintained by SJWC, as well as to the customers of the Cupertino Municipal Water System leased to SJWC. The refunds for SJWC owned/operated customers are consistent with Advice Letter No. 530 wherein the California Public Utilities System (CPUC) authorized SJWC to refund the prorated portion of service charge rate changes for the period of June 2011 through December 2016. As a reminder, SJWC admitted in Advice Letter No. 510 that they overcharged customers higher rates prior to the effective date authorized by the CPUC. Advice Letter No. 510 was not authorized by the CPUC and as an interim measure, the CPUC authorized Advice Letter No. 530. To view this advice letter, click [here](#).

A typical residential customer of the system owned and operated by SJWC will receive a one-time credit of $6.38. A typical customer of the Cupertino Municipal Water System leased to SJWC will receive a one-time credit of $3.77. The reason for the different refund amounts, as reported
by SJWC, is due to three main factors. The largest factor occurred when the 8.6% rate increase took place in 2016. SJWC customers began paying that increase in June 2016 while Cupertino Municipal customers did not begin paying this increase until it was authorized by Council in September 2016. Because the increase was delayed, less proration refund is due back to the customer. The next two factors are the 1.2% fee collected by the CPUC and 1% utility fee collected by the City. Staff has asked SJWC to provide the calculation of the Cupertino Municipal Water System customer to validate the calculations. In the interim, SJWC is processing the refunds. The CPUC is still reviewing a pending action to have SJWC refund for a time period well before June 2011. Staff is following this issue for parity with Cupertino Municipal customers.

**Neighborhood Events Update**
At the Council Meeting on December 18, 2018, an excellent suggestion was made by Council to look into the special events program in Redwood City. Redwood City is a bit larger by population and provides a very aggressive and strong special events program. Cupertino’s events staff will use some of their program ideas for possible inclusion as is practical.

There are several noteworthy differences in the way the two programs are staffed and resourced:
- Redwood City operates its program with a full-time Recreation Coordinator, while Cupertino has dedicated only about 1/3 of a full-time employee.
- Redwood City offers its events program year-around, while Cupertino offers only a summer program that includes two seasonal coordinators from April through September.
- Redwood City dedicates a similar amount of general funds as Cupertino, but raises 75% of its events funding through local business support and ticket sales. As a result, its total budget is $600,000 compared to Cupertino’s budget of approximately $200,000.

**Athletic Field FAQ Facts Jan 9**
On December 18, 2018, City Council heard testimony from youth athletes requesting Sunday access to sports fields in parks and schools managed by the City. Currently, sports field use on Sundays is limited to only a few Sundays each year. There are special circumstances due to certain tournament play, or for special needs participants.

In 2005, City Council restricted Sunday sports field use after considering ample public input. This was a challenging issue and a task force was assembled and spent 18 months creating the current Athletic Field Use Policy. Sunday use was restricted to help preserve neighborhood quality-of-life and protect park resources. Community members wanted one day per week to use the fields and to limit traffic and larger groups in their neighborhood parks. Staff has reviewed video coverage of Parks & Recreation Commission meetings, which were well attended and contentious.

Staff will present the policy to the Parks & Recreation Commission on February 7, 2019 for a recommendation. The Frequently Asked Question (attached below) answers many questions about our current practices around field use.

RE: Service Charge Proration Refunds

Dear Ms. Chan:

San Jose Water (SJW) is currently working with the California Public Utilities Commission (CPUC) to refund the prorated portion of service charge rate changes for the period of June 2011 through December 2016 in accordance with our recent General Rate Case decision. To that end, we filed Advice Letter (AL) 530 on December 14, 2018, seeking authorization to provide those refunds to customers as early as in mid-January 2019, pending the CPUC’s approval.

In addition to serving approximately half of the City through our regulated water system, SJW also provides water service to Cupertino residents served by the City’s Municipal Water System (MWS). Since the billing practices and rate schedules (through 2016) were the same for both SJW’s and the City’s water systems, MWS customers are also eligible for refunds.

Utilizing the same CPUC-approved methodology for determining the refunds as provided in AL 530, MWS’ system wide total refund for the period June 2011 through December 2016 is $27,224. This is further broken down as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>2012</td>
<td>1,606</td>
</tr>
<tr>
<td>2014</td>

<td>781</td>
</tr>
<tr>
<td>2016</td>
<td>927</td>
</tr>
<tr>
<td>Total Refund</td>
<td>$27,224</td>
</tr>
</tbody>
</table>

Please note that there were no service charge rate changes during 2011 and 2013.
The refund amounts are shown in Attachment A. An MWS residential customer with a 3/4-inch meter will receive a one-time credit of $3.77 on their water bill. All other customers will receive a one-time credit in accordance with their meter size.

It is our intention to provide the refunds to both our regulated customers and those served by the MWS concurrently. As such, the refunds will be provided upon the CPUC’s approval of AL 530.

Please contact me should you require additional information.

Very truly yours,

JOHN TANG
Vice President of Regulatory Affairs

With this advice letter SJWC requests authorization to implement a surcredit to refund readiness to serve charge rate changes as a result of a change in billing practice effective January 1, 2017.
The refund period covers readiness to serve charge rate changes that occurred from January 1, 2014, through December 31, 2016.

These tariffs are submitted pursuant to General Orders (GO) No. 96-B Water Industry Rules 7.3.2. This advice letter is designated as a Tier II Advice Letter. SJWC requests that the surcredit become effective on July 6, 2017.

The present rates for SJWC became effective March 20, 2017, by Advice Letter No. (AL) 506. Currently SJWC has AL Nos. 509 and 509A pending before the Commission.

**Background**

On January 15, 2017, SJWC received a customer inquiry regarding how readiness to serve charges are billed. At issue was whether or not the readiness to serve charge is prorated when a rate change occurs within a billing cycle.

Upon further review of the inquiry, on January 30, 2017, SJWC modified its billing practice retroactively to January 1, 2017, to prorate readiness to serve charge rate changes going forward. As a result of the change in billing practice, the readiness to serve charge rate changes approved in AL Nos. 498 and 506 were prorated for all customers.

**Purpose**

SJWC is filing AL 510 requesting permission to implement a surcredit to refund readiness to serve charge rate changes for the 3-year period starting January 1, 2014, and ending December 31, 2016. The total amount of the refund is $1,794,439. A residential customer with a 3/4-inch meter will receive a one-time surcredit of $5.70. All other customers will receive credits according to their meter size (see Attachment A).

This filing will not cause the withdrawal of service, nor conflict with other schedules or rules.

**Protests and Responses**

Anyone may respond to or protest this advice letter. A response does not oppose the filing but presents information that may prove useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds may include the following:

1. The utility did not properly serve or give notice of the advice letter;
2. The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the advice letter contain material error or omissions;
4. The relief requested in the advice letter is pending before the Commission in a formal proceeding;
5. The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
(6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission).

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Tariff Unit, Water Division, 3rd floor  
California Public Utilities Commission,  
505 Van Ness Avenue  
San Francisco, CA 94102  
water_division@cpuc.ca.gov

On the same date the response or protest is submitted to the Water Division, the respondent or protestant shall send a copy of the protest by mail to us, addressed to:

Regulatory Affairs  
San Jose Water Company  
110 West Taylor Street  
San Jose, California 95110  
Fax 408.279.7934  
regulatoryaffairs@sjwater.com.

The advice letter process does not provide for any responses, protests or comments, except for the utility’s reply, after the 20-day comment period. In compliance with Paragraph 4.3 of General Order 96-B, a copy of this advice letter has been mailed to all interested and affected parties as detailed in Attachment B.

Very truly yours,

/S/ JOHN TANG

10. Customers who receive water deliveries for agricultural purposes under this schedule, and who present evidence to the utility that such deliveries qualify for the lower pump tax rates levied by the Santa Clara Valley Water District for agricultural water, shall receive a credit of $2.6398 per 100 cubic feet on each water bill for the quantities of water used during the period covered by that bill.

11. To offset the July 2016 increase in Ground Water Charges from the Santa Clara Valley Water District, as required by Section 792.5 of the Public Utilities Code, an increase in ground water charges of $178.00 /acre-foot, relative to the purchase water costs adopted by D.16-06-004, and associated revenue increase of $0.1699 per 100 cu.ft.

12. To amortize the under-collection in the 2016 GRC Interim Rates Memorandum Account and the remaining balance of the under-collection in the 2013 GRC Interim Rates Memorandum Account (Rehearing), a surcharge of $0.1832 per 100 cu.ft is to be added to the Quantity rate shown over the balance of the rate case cycle beginning with the effective date of Advice Letter 492A.

13. To amortize the remaining under-collection in the Mandatory Conservation Revenue Adjustment Memorandum Account from 2014 and the remaining under-collection in the Water Conservation Memorandum Account from 2015, a surcharge of $0.0648 per 100 cu.ft. is to be added to the Quantity Rate shown for a 12 month period beginning with the effective date of Advice Letter 508A.

14. To offset the July 2017 increase in Purchased Water from the Santa Clara Valley Water District, as required by Section 792.5 of the Public Utilities Code, an incremental increase in purchased water costs of $103.00 /acre-foot, relative to the purchase water costs authorized by Advice Letter 490 and associated revenue increase of $0.1464 per 100 cu.ft.

WHAT FIELDS DO WE SCHEDULE?

- Creekside Park
- Eaton Elementary
- Faria Elementary
- Garden Gate Elementary
- Hoover Park
- Hyde Middle School
- Jollyman Park
- Kennedy Middle School
- Library Field
- Lincoln Elementary
- Monta Vista Park
- Regnart Elementary
- Stevens Creek Elementary
- Wilson Park
- Collins Elementary

CAN WE SCHEDULE FIELDS FOR MULTIPLE SPORTS?

Yes – however, according to the field use policy, fields will be permitted for the activities that the fields are intended for, designed for, classified as, or for activities conducted in a manner that does not compromise public safety or field quality and integrity (Athletic Field Use Policy, Page 2).

Many baseball/soccer fields are set up to share space, but only one of those sports can be played at a time. Cricket requires a solid pitch and grass space equivalent to two soccer fields. Due to the nature of cricket, it is much more difficult to share any field space based on current park configuration. Cricket has been designated for Library field, which it is able to share with volleyball.

WHY DON’T WE SCHEDULE ANY HIGH SCHOOL FIELDS?

The City does not have a joint use agreement with FUHSD. Typically, field space at the high schools is in such demand that we have not been able to gain access. High schools permit their facilities, and youth sports groups can apply directly to the schools.

WHEN IS A PERMIT NECESSARY?

Per the Athletic Field Use Policy, any organization must obtain an athletic field use permit for exclusive field use or any repeated, organized use of athletic fields maintained by the City of Cupertino (Athletic Field Use Policy, Page 1). Permits are issued by the Recreation and Community Services Department and are enforced by the Code Enforcement Department. Code Enforcement attempts to gain compliance without issuing citations and fines, if at all possible.

WHO IS ELIGIBLE TO APPLY FOR A PERMIT?

Field permits are assigned based on the following priority system (Athletic Field Use Policy, Pages 3-4):

**Priority Categories**

1. Cupertino Recreation and Community Services Department
2. Cupertino resident, youth, volunteer non-profit organization
3. Cupertino resident, youth, commercial, non-profit organization
WHAT IS OUR FIELD USE PERMIT PROCESS?

Any group interested in obtaining an athletic field use permit must apply to the Recreation & Community Services Department. Permits are issued by season. The spring season runs from January through June and the fall season runs July through December. Fees are assessed each season.

Sports groups are accepted based on the priority list in the field use policy (Athletic Field Use Policy, Page 2). The City issues a “blanket” use permit (not hourly) for youth sports leagues since all groups pay a flat per player fee instead of an hourly rate. Youth sports groups are expected to work cooperatively, to schedule their use of field time on the fields. It also means that there are times that the fields are not being used, mostly Monday through Friday 9 am to 2 pm. There is currently no additional capacity to add any other user groups.

HOW MUCH DOES A PERMIT COST A SPORTS GROUP?

There are 12 different fee categories for assessing athletic field use fees. Factors included in determining these fees include Cupertino residency, adult or youth participants, volunteer or commercial status (volunteer or paid coaches), profit or non-profit status and if there are any previous violations of the Athletic Field Use Policy (Athletic Field Use Policy, Pages 3-6).

Athletic Field Use Fees have remained unchanged since they were implemented in 2005.

Fee Categories

1. Cupertino Parks and Recreation Department
   - No charge
2. Cupertino resident, youth, volunteer non-profit organization
   - $11/player/season for residents; $22/player/season/nonresidents
3. Cupertino resident, youth, commercial, non-profit organization
   - $11/player/season for residents; $66/player/season/nonresidents
4. Cupertino resident, adult, volunteer non-profit organization
   - $50/hour/field, 2-hour minimum, $600 refundable damage deposit
5. Cupertino resident, adult, commercial, non-profit organization
   - $50/hour/field, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit
6. Nonresident, youth, nonprofit volunteer organization
   • $11/player/season for residents; $66/player/season/nonresidents
7. Nonresident, youth, commercial, non-profit organization
   • $11/player/season for residents; $88/player/season/nonresidents
8. Nonresident, adult, nonprofit volunteer organization
   • $50/hour, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit
9. Nonresident, adult, commercial, non-profit organization
   • $100/hour, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit
10. For-profit youth sports events
    • $150/hour, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit
11. For-profit adult sports events
    • $175/hour, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit
12. Organizations that have violated the terms of the field use policy
    • To be determined on a case-by-case basis, considering the type of organization and the nature of the violation.

WHY DON’T WE SCHEDULE FIELDS ON SUNDAYS?

On Monday, October 18, 2004, the City Council approved an update to the Athletic Field Use Policy which became effective on January 1, 2005. The policy was a result of 18 months of work done by a committee comprised of two City Council members, two Parks & Recreation Commissioners, the City Attorney, the Director of Parks & Recreation, the Sports & Fitness Recreation Supervisor, and the Sports & Fitness Recreation Coordinator responsible for athletic field use permits.

The formation of an updated policy was a contentious issue in the community, with a passionate discourse between all stakeholders including youth sports leagues, residents with homes adjacent to athletic fields, and all Cupertino residents.

Youth sports leagues have expressed their need for additional Sunday access because they represent approximately 4000 youth and the current inventory of Cupertino athletic fields has reached its maximum capacity limiting their ability to provide services. Participation in sports helps teach adolescents accountability, dedication, leadership, and self-confidence. Fields should not sit vacant when there are kids who want to play.

Cupertino residents with homes adjacent to athletic fields and Cupertino residents at large expressed concerns over the following issues created by youth sports league play. These issues include excessive noise, lack of street parking & blocked driveways, trash left behind by sports teams, violations of public indecency and public urination codes, unauthorized use of private property near public parks, lack of access to fields & parks for personal, drop-in, and self-directed recreational use.
Also, city staff expressed concerns over maintenance and field integrity issues that would be exacerbated by increased Sunday play. These include that an increased use would lead to more rapid field degradation requiring additional maintenance as well as raising the risk of injury. To handle more Sunday use and increased field degradation, Public Works would need to extend closure periods to allow the turf to recover. Operational costs would need to be raised to keep fields playable without an offset of additional revenue.

To address the needs of all stakeholders—youth sports leagues, residents with homes adjacent to athletic fields, and all Cupertino residents—the City Council limited each sports league to two Sunday permits per year to accommodate special tournaments or events.

The compromise of limiting Sunday permits provides residents with a break from organized activities in parks. It allows residents access to athletic fields for drop-in, self-directed play, and reduces maintenance costs by giving fields a recovery day.

Sunday permits are only issued to organizations already in possession of Monday-Saturday permits. Sunday access is granted no earlier than 9 a.m., with games beginning no earlier than 10 a.m.

An organization providing a unique recreational opportunity, such as one serving special needs youth, may be assigned a special priority status following review of their offering by the Parks and Recreation Commission and approval by the City Council, including the use of fields on Sunday. AYSO VIP and Cupertino Little League’s Challenger Program which both provide services to participants with adaptive developmental needs were approved for Sunday use.

**WHAT PERCENT OF SPORTS USER GROUPS ARE CUPERTINO RESIDENTS?**

During 2018, 49% of youth sports league participants were Cupertino Residents. Cupertino residency percentages are broken down by group below.

WHY DO ATHLETIC FIELDS CLOSE WHEN IT RAINS?

Safety is our number one priority. Playing on wet and soggy fields can cause significant damage as they dry unevenly and create holes or other tripping hazards. While the City never wants to cancel activities, no one wants a player’s season to end because of a preventable injury. We close our fields for inclement weather, and we open them depending on how quickly we can get them to recover. Secondly, use of wet fields can significantly drive up maintenance costs.

HOW CAN THE PUBLIC FIND OUT ABOUT ATHLETIC FIELD USE CLOSURES?

Text Message: Sign up for automated text messages by texting "follow cupertinofields" to 40404.

Twitter: Follow us on Twitter by following @cupertinofields.

Hotline: 408-777-3566

The easiest way to get updates on field status is by receiving instant updates on your mobile device. All you need to do is text “follow cupertinofields” to 40404. Anytime field status changes you will receive instant notification. To discontinue the texting service, text “stop cupertinofields” to 40404.

WHICH CITY DEPARTMENTS ARE RESPONSIBLE FOR ATHLETIC FIELD USE CLOSURES?

Public Works is responsible for determining if fields are open or closed and for placing “field closed” signs at fields Monday-Friday.

Recreation & Community Services updates the Twitter account and the weather hotline Monday-Friday.

On Saturdays and Sundays, Code Enforcement is responsible for determining if fields are open or closed, updates to the Twitter Account, weather hotline and for placing field closed signs

WHEN DO YOU EVALUATE FIELDS AND NOTIFY THE PUBLIC?

City staff strives to provide as much advance notice as possible regarding field closures to the public. Public Works makes every effort to determine field status before 1 p.m. on rainy days. However, the weather sometimes does not cooperate and depending on when it starts to rain; the notification may come later in the day.

WILL FIELDS BE OPENED ON AN AFTERNOON AFTER THEY WERE CLOSED IN THE MORNING?

If fields are closed in the morning, they will remain closed for the rest of the day to provide the safest environment for participants, reducing the risk of a season-ending injury and preserving field integrity.
WHAT ABOUT HOLIDAYS?
While it is impossible to predict the weather, City staff will do their best to make field status decisions and provide information the day before the holiday about the status of the field over the break. Please follow the twitter account and text messages for the most up-to-date information.

WHY ARE FIELDS CLOSED WHEN IT IS SUNNY OUTSIDE?
Many factors affect City staff’s decisions to reopen fields including, but not limited to, current temperature and humidity, the amount of precipitation that has occurred, any standing water on the fields, and drainage capabilities of the field/site. It can sometimes take several days for fields to completely dry out and return to a safe and playable condition.

WHO DO I CALL TO REPORT SOMEONE USING A CLOSED FIELD?
You can report any violation of the Cupertino Athletic Field Use Policy to Code Enforcement and the Santa Clara County Sheriff at 408-299-2311.

CAN I LEAVE A MESSAGE ON THE ATHLETIC FIELD USE HOTLINE?
The Athletic Field Use Hotline is for information purposes only and does not accept messages.

HOW CAN I FIND OUT MORE ABOUT THE FIELD USE POLICY?
You can download the Cupertino Athletic field Use Policy at www.cupertino.org.

WHO CAN I CALL TO FIND OUT MORE?
Recreation Coordinator Karen Levy manages the field use athletic policy and can be reached at 408-777-3123.
Athletic Field Use Policy

It is the policy of the City of Cupertino to support and encourage flexible and inclusive use of athletic fields in a manner that preserves neighborhood quality of life and protects the park resource. The City supports and encourages volunteerism and the sense of community created when individuals with common goals work together. The City values the healthy benefits of recreational pursuits and supports the development of young athletes.

Purpose:
- To strive to provide all Cupertino residents with an opportunity to participate in their activity of choice.
- To establish procedures governing the exclusive use of City of Cupertino and Cupertino Union School District playing fields managed by the City of Cupertino.
- To ensure that Cupertino residents have priority access to the fields they have paid for.
- To provide for a variety of activities reflecting the athletic preferences of Cupertino residents.
- To contribute a proportionate amount of field time to regional organizations that Cupertino residents participate in.
- To collect reasonable fees for the use of the fields, in support of their ongoing maintenance.
- To adopt a fee schedule that rewards volunteerism and community involvement.

Permit Required: Field Use Permits are required for exclusive field use or for any repeated, organized use of athletic fields maintained by the City of Cupertino. The Cupertino Parks and Recreation Department issues field use permits.

Applying for a Field Use Permit: Please thoroughly read the entire Field Use Policy and its regulations.

City of Cupertino Maintained Fields: The fields listed below are available for permitting through the City of Cupertino Parks and Recreation Department. City of Cupertino owned fields are noted as ‘City’, and fields under the Cupertino Union School District/City of Cupertino Joint Powers Agreement are noted as ‘JPA’.

Soccer, Youth Softball, and Little League Fields

Multi–Use Field
– Library Field (City) .......................Youth Cricket, Soccer, Volleyball (all on 1 Field)

Adult Softball Field
– Memorial Park (City) .....................Cupertino Adult Softball League Play Only

Field Availability:
City-owned fields: Monday-Saturday 9:00am-Dusk
CUSD fields under the Joint Powers Agreement (JPA) Monday-Friday 4:00pm-Dusk
Saturdays, School Holidays 9:00am-Dusk

Two Sunday permit dates/year/organization/site may be granted by staff to accommodate special tournaments or events (not regularly scheduled league play). Sunday permits are exclusive to those organizations already in possession of Monday-Saturday Permits who use fields regularly over the course of the Fall or Spring Use Period. Sunday access to fields will be granted no earlier than 9 a.m., with games beginning no earlier than 10 a.m.

Fields will be permitted for the activities that the field(s) are intended for, designed for, classified as, or for activities conducted in a manner that does not compromise public safety or field quality and integrity.

Field Hotline:
Fields may be closed to avoid turf damage due to inclement weather or field saturation. Fields may be closed for field maintenance. Call the field hotline at 408-777-3566 to determine whether or not the fields are playable.

Eligibility: Field permits are assigned based on the following priority system (see definitions):

Priority
1 ........Cupertino Parks and Recreation Department
2 ........Cupertino resident, youth, volunteer nonprofit organization
3 ........Cupertino resident, youth, commercial nonprofit organization
4 ........Cupertino resident, adult, volunteer nonprofit organization
5 ........Cupertino resident, adult, commercial nonprofit organization
6 ........Nonresident, youth, volunteer nonprofit organization
7 ........Nonresident, youth, commercial nonprofit organization
8 ........Nonresident, adult, volunteer nonprofit organization
9 ........Nonresident, adult, commercial nonprofit organization
10 ........For-profit youth sports events
11 ........For-profit adult sports events
12 ........Organizations that have previously violated the terms of the field use policy
Eligibility is based on an assessment of each organization’s prior season eligibility status. It is the Permit Organization’s responsibility to notify the City of Cupertino, upon permit application submittal, of a change in Eligibility Status for the upcoming season. Permit approval for new organizations will be based on current registration information. Permits may be revoked if it is found that an organization’s Eligibility Status has changed without notifying City of Cupertino prior to permit application submittal.

An organization providing a unique recreational opportunity, such as one serving special needs youth, may be assigned a special priority status following review of their offering by the Parks and Recreation Commission and approval by the City Council, including use of fields on Sunday.

Definitions:

Priority 1 - Cupertino Parks and Recreation Programming: Programs offered by the City of Cupertino will have first priority for scheduling.

Priority 2 - Cupertino resident, youth, volunteer non-profit organization: An organization that maintains participation of at least 51% Cupertino residents and has a board of directors made up of at least 51% Cupertino residents. The organization must be all-volunteer with no paid coaching or training, to be in this priority group.

Priority 3 - Cupertino resident, youth, commercial non-profit organization: An organization that maintains participation of at least 51% Cupertino residents and has a board of directors made up of at least 51% Cupertino residents. Organizations in this category can hire paid staff.

Priority 4 - Cupertino resident, adult, volunteer non-profit organization: An organization that maintains participation of at least 51% Cupertino residents and has a board of directors made up of at least 51% Cupertino residents. The organization must be all-volunteer with no paid coaching or training, to be in this priority group.

Priority 5 - Cupertino resident, adult, commercial non-profit organization: An organization that maintains participation of at least 51% Cupertino residents and has a board of directors made up of at least 51% Cupertino residents. Organizations in this category can hire paid staff.

Priority 6 - Nonresident, youth, volunteer non-profit organizations: These organizations do not meet the 51% residency requirement for participants or board of directors. They are non-profit and volunteer in nature.

Priority 7 - Nonresident youth, commercial non-profit organizations: These organizations do not meet the 51% residency requirement for participants and/or board of directors.

Priority 8 - Nonresident, adult, volunteer non-profit organizations: These organizations do not meet the 51% residency requirement for participants and/or board of directors. They are non-profit, volunteer in nature.
Priority 9 - Nonresident adult, commercial non-profit organizations: These organizations do not meet the 51% residency requirement for participants and/or board of directors. Organizations in this category can hire paid staff.

Priority 10 - For-profit youth sports events: In this category would be field rental for businesses that run special clinics and camps for youth.

Priority 11 - For-profit adult sports events: In this category would be field rental for businesses that run special clinics and camps for adults.

Organizations that have violated the terms of the field use policy: Beginning 1/1/05, any group found violating any term of the field use policy or providing misleading or false information to the City of Cupertino will have last priority for scheduling field time.

Seasonal Use Dates Defined:
Fall Use Period: 7/1-12/31
Spring Use Period: 1/1-6/30

Seasonal Use Date Priority:
- Cupertino Resident Youth Non-Profit Soccer Organizations have field priority on Soccer/Baseball Joint Use Fields, during the Fall Use Period, and annual field priority on exclusive soccer fields.
- Cupertino Resident Youth Non-Profit Baseball and Softball Organizations have field priority on the Baseball-Softball/Soccer Joint Use Fields, during the Spring Use Period, and annual field priority on exclusive Baseball or Softball Fields.

Exceptions to Seasonal Priority:
- Little League Baseball has annual priority at the Hyde Middle School 90 ft. Diamond Baseball/Soccer Joint Use Field.
- Memorial Park Softball Field is exclusive to the City of Cupertino Adult Softball Leagues.
- Cupertino Parks and Recreation Department programs have annual priority on all fields.
- The City Council may assign a special priority status to a group offering a unique program to Cupertino residents that would be otherwise unavailable.

Two or More Equally Eligible Groups Requesting the Same Field:
In the event that two or more field requests with equivalent eligibility overlap, the groups shall first work together to resolve the issue through compromise. If the issue cannot be resolved by the groups, the City’s Field Coordinator will use good judgment in determining the field allocation for the season. In these cases, priority consideration shall be given in the order stated below:

A. The organization with a history of past field use on specific fields will have first priority
B. A program providing a service that does not currently exist (does not duplicate a program already available)
C. Timely receipt of field use request and required accompanying materials.
D. Other Elements
**How Cupertino residency is calculated:** Because leagues are regional in nature, city staff will calculate the residency percentage by reviewing the rosters for players scheduled on Cupertino fields, and not the league as a whole. This calculation is intended to encourage league field schedulers to secure playing time in all cities from which they draw participation.

**Definition of a Cupertino Resident:** A person who lives in the City of Cupertino.

**How Field Use Policy compliance is verified:** The City of Cupertino requires a Master League Roster complete with player first and last names alphabetized, address, and phone number, and all Team Rosters of participants. This information will be presented to City of Cupertino Staff immediately after registration for the organization closes. Coaches will be required to have team rosters and permits on site during each field use, available for inspection. The City of Cupertino will make spot field checks, and any organization found to be misrepresenting its residency status will have its permit revoked for the season and will be last priority for field scheduling for the next season.

**Organization within an organization, or “under the umbrella of an organization”:** Any organization found to be scheduling field time for use by another organization (that would otherwise have a lower priority for field scheduling) will have its permit revoked for the season and will be last priority for field scheduling for the next season.

**To Apply for an Athletic Field Use Permit:**
To apply for an Athletic Field Use Permit, contact the City of Cupertino Athletic Field Coordinator at (408) 777-3120.

**Fees:**  
**Priority**  
1. **Cupertino Parks and Recreation Department**  
   No charge  
2. **Cupertino resident, youth, volunteer non-profit organization**  
   $11/player/season for residents; $22/player/season/nonresidents  
3. **Cupertino resident, youth, commercial non-profit organization**  
   $11/player/season for residents; $66/player/season/nonresidents  
4. **Cupertino resident, adult, volunteer non-profit organization**  
   $50/hour/field, 2-hour minimum, $600 refundable damage deposit  
5. **Cupertino resident, adult, commercial non-profit organization**  
   $50/hour/field, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit  
6. **Nonresident, youth, non-profit volunteer organization**  
   $11/player/season for residents; $66/player/season/nonresidents  
7. **Nonresident, youth, commercial non-profit organization**  
   $11/player/season for residents; $88/player/season/nonresidents  
8. **Nonresident, adult, nonprofit volunteer organization**  
   $50/hour, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit  
9. **Nonresident, adult, commercial non-profit organization**  
   $100/hour, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable
10 ...... **For-profit youth sports events**
$150/hour, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit

11 ...... **For-profit adult sports events**
$175/hour, 2-hour minimum, $600 base fee/site/seasonal use period and $600 refundable damage deposit

12 ...... **Organizations that have violated the terms of the field use policy**
To be determined on a case-by-case basis, considering the type of organization and the nature of the violation.

**Fee Payment Protocol for Youth Non-Profit Organizations:** Once the Volunteer or Commercial Youth, Non-profit Organization’s primary player registration has closed for their upcoming season, an accurate, computer-generated master league roster that includes names, addresses and phone numbers of only the players using Cupertino fields, will be required. The City of Cupertino will use the ‘per player fee’ formula (see Fee Section) to invoice the league. For any additional registrations during the course of the year, the same protocol will apply. The City may require, at any time, to review certified league registration forms for all participants. The permit will be revoked if the fees are not submitted on time (see ‘Fee Payment Deadlines’).

The City Council has levied lower fees for Cupertino residents, and staff will check to ensure that the registration amounts paid by Cupertino residents is accurate.

**Fee Payment Protocol for Groups OTHER THAN Youth Non-Profit Organizations:** Organizations OTHER THAN Youth Non-Profits will submit, attached to their Athletic Field Use Permit Application(s), an accurate assessment of: # of individual fields requested, multiplied by # of hours requested using each field, multiplied by the hourly rate for your Eligibility Status (see ‘Fee’ section). The City of Cupertino will then invoice the organization based on the approved amount of fixed field use hours. In the event of field closures due to inclement weather, rainouts, field over-saturation, or field maintenance, the organization will have an opportunity to schedule ‘make-up dates’ with the City of Cupertino or have the option of being refunded all applicable fees. The permit will be revoked if the fees are not submitted on time. (see ‘Fee Payment Deadlines’)

**Permit and Insurance Certificate Submittal Deadlines to Remember:**
For Spring Seasonal Use Dates (1/1-6/30):
Permit Applications may be submitted to the City of Cupertino between 11/1-12/1.

For Fall Seasonal Use Dates (7/1-12/31):
Permit Applications may be submitted to the City of Cupertino between 5/1-6/1.

Organizations that miss the above deadline(s) will be subject to the ‘first come, first serve’ priority system.

**Rosters Submittal Deadlines to Remember:**
For Spring Seasonal Use Dates and Fall Seasonal Use Dates: Team and Organizational Rosters must be submitted to the City of Cupertino no later than 14 days after the Permit Organization’s primary
registration period(s) closes. For any additional registrations during the course of the year, the same protocol will apply.

**Fee Payment Deadlines to Remember:**
Cupertino Youth Non-Profits: 14 days after receiving the City of Cupertino Invoice.
Groups OTHER THAN Cupertino Youth Non-Profits: 7 days prior to first permitted date.

**Cancellations:**
For groups other than Cupertino Youth Non-Profits, cancellations will be accepted with full refund up to three 3 working days prior to scheduled use. The recreation coordinator responsible for field scheduling must be notified.

Permit applications for organizations offering new programs will be reviewed by staff and, if necessary, forwarded on to the Parks and Recreation Commission and City Council. Staff will endeavor, to the extent possible, to facilitate new program offerings.

**General Regulations For Field Use:**
- A copy of the approved permit must be available for inspection when an organization is using the field.
- Field users are required to observe all City of Cupertino park regulations.
- Field use is limited to the times and dates indicated on the permit, and any changes are subject to availability and approval by the department.
- Fields must not be used when wet; permits are invalid on rainy days or after rain if the ground is considered too saturated for play:
  - Call the field hotline at 408-777-3566 to determine whether or not the fields are playable.
- No alcoholic beverages are allowed; violation will result in forfeiture of the permit and no fees will be returned.
- No group shall litter, soil, or defile the field, rest rooms or other park areas.
- No group or persons shall use any system to amplify sound whether for speech or music.
- No group or person having control or care of a dog shall enter or remain in the park unless posted for such use, and then only if it is led by a leash of suitable strength.
- No group or person shall make or kindle a fire for any purpose, except at places so designated.
- No group shall enter an area posted as “closed to the public” or “field closed”. No persons shall remove such postings.
- No group or persons shall indulge in riotous, boisterous, threatening or indecent conduct.
- All permit organizations or groups must show proof of liability insurance with the City of Cupertino named as additional insured. Liability insurance must be for a minimum of $1 million.
- It is the responsibility of the permitted organization to notify the Cupertino Parks and Recreation Department ASAP if it is determined by the permit organization that an approved permit date(s) is no longer needed.

This policy constitutes the exclusive Field Use Policy surrounding field use for City of Cupertino owned fields and Cupertino Union School District (CUSD) fields specified in the Joint Powers agreement.

*This policy was approved at the City Council meeting of October 18, 2004.*
