

Community Improvement Grants

Jumpstart your new idea and help to build community on your block, your street, or in your neighborhood with a Community Improvement Grant.

Grants up to \$300 are available for projects that increase communications among neighbors, improve the physical condition of a neighborhood, or enhance neighborhood pride and identity.

A great community begins with you and your neighbors. By bringing people together for a neighborhood improvement project, you are helping to strengthen the Cupertino community.

The city of Cupertino shares in your goal of improving your neighborhood. The Community Improvement Grant program is our way of helping to create a successful project.

Project Examples

Here are examples of recently funded projects:

- Neighborhood beautification
- Disaster recovery supplies for neighborhoods with CERT-trained leaders
- Tents for block parties and emergency planning.

Eligibility

Community Improvement Grants are available for projects that **bring neighbors together** for a common benefit.

To be eligible, your project must meet the following requirements:

Your **neighborhood** must:

Participate in the **Cupertino Block Leader*** program. The free city-sponsored program helps residents to improve communication, increase public safety, and enhance cultural understanding in the neighborhoods.

Visit: www.cupertino.org/blockleader, email communityrelations@cupertino.org. or call 408.777.3331, to learn more about the Block Leader Program.

Your **project** must:

- Provide an identifiable benefit or positive impact to your street, block, or neighborhood. It can be either a physical project, or an activity that brings neighbors together. Grants are also available for expanding the scope or outreach of existing neighborhood projects.
- Include the active involvement of at least three neighboring households. The more neighbors involved, the better the project!
- Have a specific timeline, clearly defined steps and outcomes, and a breakdown of costs.

Awards Process

- Applications are reviewed once a month.
- Once funds are approved and made available, your project must be completed within six months.
- When the project is completed, submit pictures, itemized expenses, and a final report describing the project's success.

How to Apply:

Access the application online at: www.cupertino.org/blockleader. For help, call 408.777.3331, or email communityrelations@cupertino.org.

* More on the Block Leader Program

Block Leaders help to connect neighbors with each other and link the neighborhoods with the city. The city relays timely and pertinent information to block leaders and coordinates trainings and regular meetings. The city also provides written materials, step-by-step methods on how to plan gatherings, photo copies of neighborhood newsletters and rosters, and identification badges.
