9. Pogo Pilot Project Ending

Cupertino Native Deborah L. Feng Appointed New City Manager
The City of Cupertino is pleased to announce the appointment of Deborah L. Feng as its new City Manager. Her first day with the City will be June 3, 2019.

Feng has more than 30 years of progressive management and administration experience with the National Aeronautics and Space Administration (NASA) at Ames Research Center, Moffett Field, California. Her responsibilities have included working with and understanding the operations of city government, financial management and budgeting, master planning and facilities construction, information technology, human resources, partnerships, and communications and outreach.

She recently completed negotiations to build housing, including affordable apartments, on NASA property. This is the first such project in the nation accomplished for NASA.
“The City Council believes that Deborah Feng is an excellent choice for Cupertino due to her familiarity with the community and extensive experience managing a large organization,” Mayor Steven Scharf said. “We are confident that she will help the City move forward with our ambitious Work Program, re-staff vacant executive positions, and increase Cupertino’s quality of life.

“I also want to thank Amy Chan and Timm Borden for stepping in as Interim City Managers over the past year and doing a remarkable job leading the organization.”

Feng, a Cupertino native, attended Lincoln Elementary School, Kennedy Middle School, and Monta Vista High School. She also attended De Anza Community College, where her father taught from the time the College opened in 1969 until his retirement 30 years later.

She is a graduate of the University of California, Berkeley, receiving her bachelor’s degree in Mass Communications, Radio and Television. Feng also earned her master’s degree in Business Administration from San Jose State University while receiving the prestigious GOLD Award from the College of Business for her leadership in her graduate program.

“I look forward to engaging our community and working to keep Cupertino the wonderful city that I’ve known all my life,” Feng said.

Her personal interests include hiking and biking, often hiking the hills of Cupertino at Fremont Older and Rancho San Antonio. She is a first degree black belt in Kempo karate and has a daughter Erica, 25, a graduate of De Anza, and a son Dustin, 19, a current student at De Anza.

Feng’s contract is scheduled to be considered by the City Council on April 16, 2019. Her annual salary will be $239,000.

**Department Name Change**
The realignment of Code Enforcement, Emergency Management, Block Leaders/Neighborhood Watch, and Leadership Training from the Recreation and Community Services (RCS) Department to other departments last fall has allowed Recreation and Community Services to focus on a more traditional parks and recreation mission. As a result, effective May 1, 2019, the name of the department will be changed back to the Department of Parks & Recreation. Interestingly, when the name changed to RCS in 2014, it was not changed in the municipal code (2.48 Departmental Organization) so an ordinance is not required. In essence, we have been operating as a kind of DBA this past five years.

This will clear up confusion in the community over the RCS name, as well as maintain alignment with the Parks & Recreation Commission’s name. Staff, department leadership, and the commission are all in support of the change.

A transition will occur over the next year. With limited exceptions, printed items like business cards or staff uniforms won’t be replaced, but when exhausted, will include the proper name.
Compliment Regarding Public Works Inspector Kane Wolfe

Kane Wolfe is a dedicated, 24-year employee in the Public Works Department. Kane manages the annual concrete sidewalk, curb, and gutter maintenance projects. This includes daily interactions with residents through phone, email, and Cupertino 311 service requests. Kane performs inspections of reported concerns, coordinates the projects with engineering staff at City Hall, and has daily interaction with the selected contractor during the annual project. This work also greatly enhances the annual pavement maintenance projects throughout Cupertino. The email below is only one of many positive examples of Kane’s interactions with Cupertino residents.

Dear Mr. Brad Alexander,

I want to tell you that your street division and Kane Wolfe in particular is doing a great job.

I left a long rambling voicemail for Mr. Wolfe yesterday (from a number I found on a CUPERTINO web page) about a broken manhole cover type of thing at the top of Voss. I told him the cover had a big hole in it that someone could put their foot through if they don’t see it. I told him the cover was imprinted with the words Pacific Telephone and that I could not get through to a human being when I tried to call AT&T about it for 20 frustrating minutes.

Well, in just one day, Mr. Wolfe phoned me back and told me he had gone up to that street and taken pictures of the hazard and contacted the proper person at AT&T to take care of the problem, including sending that person the photos. He could not have been more polite and pleasant.

I was so happy after the call that I phoned him back and thanked him for doing such a good job and asked him who his boss was so that I can tell the boss.
It is wonderful that you have such responsible and motivated and polite and happy people working for you. You must be hiring well and building a happy work environment, judging by Mr. Wolfe.

I feel great to live in Cupertino, where the day-to-day government departments really seem to work.

Keep up the great job you guys are doing!

Sincerely,
George Yu
Cupertino, CA 95014

**Cupertino Senior Center Volunteer Recognition Lunch**
The Senior Center honored its volunteers on Saturday, March 30, from 11:00 a.m. to 2:00 p.m. for their contribution of more than 25,000 hours in 2018. The theme of this year’s celebration was, “Our Volunteers are First Class,” and featured decorations and pre-lunch activities that allowed volunteers to “travel” to different places around the world. The Kiwanis Club continued its 30-year commitment to volunteer recognition by providing and preparing delicious meals for the festivities while Monta Vista and Cupertino High School Key Club members served the lunch. The Senior Center volunteers were delighted with the light sounds of steel drums and the upbeat energy of Bollywood performers at this worldly recognition luncheon.

Throughout the year, the Senior Center Volunteers assist by volunteering at the front desk, in the kitchen, instructing classes, leading social groups, and more!

Point of Contact for Senior Center Volunteer Activities is Amanda Hui, Recreation Coordinator at 408-777-3374.
Join A Ranger: Restoration Village Tour

On Saturday, April 6, Cupertino Park Ranger Ryan Taylor led a group of 15 participants through a tour of the Native Restoration Village at Blackberry Farm. The Restoration Village is located behind the Blackberry Café and features two examples of shelters, a Debris-Hut, and a Wiki-up that Ohlone Indians utilized. Ranger Ryan taught the group about several of the edible and medicinal native plants of the Stevens Creek Corridor and explained how the native peoples would use them. From there he led the group through a cordage weaving activity and finished by telling the Native American story of “Mama Mouse & Grandfather Douglas Fir.” The final Join A Ranger event of this season is scheduled for May 11, 3-4:30 p.m., and will center around our “Local Pollinators.”

Point of contact for the Ranger program is Recreation Coordinator, Molly James at 408-777-3540.
Update of San Jose Water Company (SJWC) Filings & Merger with Connecticut Water

On March 29, SJWC filed Advice Letter 532 to recover an uncollected balance of $9 million to cover fixed costs that have not been met due to lower than anticipated water consumption. As part of this filing, public notices were mailed to all SJWC customers. As the filing does not apply to customers of the Cupertino Municipal System operated by SJWC, these customers did not receive a notice. The 20-day comment period for the California Public Utilities Commission (CPUC) to receive comments ends April 18. For regulated retailers such as SJWC, the CPUC sets water rates based on anticipated consumption. When consumption falls due to conservation, and a retailer such as SJWC cannot recover their fixed costs, then a filing such as this occurs. This filing seeks a surcharge of $0.1960 per unit of water to be added to the bill. A typical residential customer with a 3/4-inch meter will see an increase of $2.19 or 2.26% per month. The surcharge, if authorized by the CPUC, is expected to be collected for up 12 months and then removed. SJWC has requested an effective date of July 1, 2019, pending the CPUC’s approval. A full copy of the filing is viewable here.

A separate SJWC filing also occurred with Advice Letter 531. This filing proposed to reduce the CPUC user fee from 1.4% to 1.23% and became effective April 1 (see attachment).

On the prior issue of refunds, last month SJWC stated that a typical residential customer of the system owned and operated by SJWC will receive a one-time credit of $6.38 and a typical customer of the Cupertino Municipal Water System leased to SJWC will receive a one-time credit of $3.77.

On January 1, the CPUC authorized a 4.55% increase in water rates to customers of the water system owned and operated by SJWC. This rate increase has not been applied to customers of the Cupertino Municipal System operated by SJWC.

On a separate but related item, SJWC and Connecticut Water Service have jointly filed a new merger approval application with the Connecticut Public Utilities Regulatory Authority (“PURA”). The new application offers a set of commitments intended to be responsive to PURA’s previous concerns and demonstrate that the combination of SJW Group and Connecticut Water is in the public interest.

Compost Site Status

The City’s compost site provides an opportunity for residents to collect bulk compost at no cost each weekend between March and October. This popular program has experienced a two-week delay due to significant rain experienced during the past month. The site grounds are comprised of compacted heavy clay soil which makes drainage of the site poor and a challenge to keep accessible to vehicles - even several days after rain has ended. City staff has kept the site closed due to a strict stormwater pollution prevention requirement prohibiting sediment to be tracked off the site, as well as for resident safety. Last week City staff graded the site, and with relatively
dry weather it is anticipated the site will be able to be open this weekend. Residents are encouraged to call the Compost Hotline for updates on whether or not the site is open at 408-777-1320 and visit the compost site web page at www.cupertino.org/compost.

**Civic Center Cell Tower**

AT&T will begin construction on the Civic Center cell tower to facilitate collocation of their facilities with Verizon by April 17. Work is anticipated to be completed by the end of September. Minor impacts to parking spaces in the vicinity of the tower, both within the Civic Center lot and along Rodrigues Ave, are expected throughout the project. All parking impacts will be posted by the contractor. Construction will consist of heightening the tower to 75’, relocating the Verizon antennae to 66’ and placing the AT&T antennae where the Verizon antennae are currently located. Staff will work with the applicants to ensure the final tower appearance is consistent with the photo-simulations that were provided with the approved tower application (see attached photo-simulation).

**Pogo Pilot Project Ending**

After a year and a half in operation, the Pogo Pilot Project will be coming to a close this June. The pilot had a soft launch at Cupertino High School (CHS) in January 2018 and provided parents with a mobile app to create and manage walk, bike, or car “kidpools” for school pick-up and drop-off, as well as afterschool activities. The goal of the pilot was twofold:

- Make it convenient for busy parents to organize alternative transportation options for their children to reduce traffic congestion around schools during peak hours.
- Reduce greenhouse gas emissions and air pollution to further the City’s Climate Action Plan goals.

The City’s Safe Routes to School Coordinator led outreach efforts with support from school staff by sending letters and emails to parents, posting on social media, providing sign-up cards, placing A-frames at the bus loops, and announcing and tabling at parent meetings. In June 2018, the City Council approved extending the pilot through June 2019.

After the end of the fall semester in 2018, staff evaluated the program. Over the course of the pilot, 92 users joined the CHS community on Pogo. Only six were considered active carpoolers, carpooling at least once a week. There were 21 connections made in which parents had an in-app interaction such as a message exchange. Of those connections, ten carpools were formed with 31 members, resulting in 187 carpool rides taken using Pogo and an estimated 274 vehicle miles avoided. A Pogo Pilot Update presentation is attached and contains additional information regarding the pilot.

On March 6, 2019, City staff shared this information and evaluation with CHS and Fremont Union High School District (FUHSD) staff to determine whether they would be interested in continuing the pilot. FUHSD decided to let the pilot expire and end the contract at the end of the school year. While the Pogo Pilot Project with the City and FUHSD will end, parents can still access and use the Pogo app as it is publicly available and currently free to use. FUHSD looks
forward to working with the City’s Safe Routes to School program to continue finding ways to encourage families to carpool to and from school.

**Upcoming Agenda Items**
Attached is the City Council agenda forecast through August 20, 2019.

**Law Enforcement**
Attached is the Sheriff’s weekly report for March 25 – April 7.

Water Division

Enclosures
Schedule No. UF

SURCHARGE TO FUND
PUBLIC UTILITIES COMMISSION
REIMBURSEMENT FEE

APPLICABILITY

This surcharge applies to all water bills rendered under all tariff rate schedules authorized by the Commission, with the exception of resale rate schedules where the customer is a public utility.

TERRITORY

This schedule is applicable within the entire territory served by the utility.

RATES*

A 1.23% surcharge shall be added to all customer bills. (R)

*In 1983, the Legislature established a Public Utilities Commission Reimbursement Fee to be paid by utilities to fund their regulation by the Commission (Public Utilities (PU) Code Sections 401-443). The surcharge to recover the cost of that fee is ordered by the Commission under authority granted by PU Code Section 433.

Illustration
Background

- Pogo Pilot Project approved at October 17th, 2017 Council meeting
- Fremont Union High School District partnered with the City for a soft launch at Cupertino High School (CHS) in January 2018
- Current contract expires June 30, 2019
Outreach

- Letters/emails to parents
- Social media
- Sign-up cards
- A-frames at the bus loops
- Announcements and tabling at PTA and other parent meetings
- School website
- Student Bulletin
Cupertino HS on Pogo

CHS listed as address for the following

- **Routes:**
  - Spring 2018:
    - pickup 8 times
    - drop-off 30 times
  - Fall 2018:
    - pickup 11 times
    - drop-off 45 times

- **Rides:**
  - Spring 2018:
    - pickup on 27 rides
    - drop-off on 4 rides
  - Fall 2018:
    - 137 rides
Cupertino HS on Pogo

- **Carpools:**
  - Spring 2018: 10 carpools, totaling 20 members
  - Fall 2018: 10 carpools, totaling 31 members
    - City Center to CHS
    - N Blaney/280 to CHS
    - Lawrence Expy/280 to CHS
    - Strawberry Park to CHS
    - Carpool to and from CHS
    - S Loma Linda to CHS
    - N Loma Linda to CHS
    - Northeast to CHS
    - Kaiser Santa Clara to CHS
    - Cupertino Library to CHS
  
*Given the # of carpools formed, and messaged exchanged we suspect many people used Pogo to connect but are organizing their carpooling outside of the app. Active carpoolers and vehicle miles avoided reflect the # of rides tracked inside the Pogo app.*

* Each semester was evaluated to compare it to the same semester of the prior year.
Pogo’s Planned Improvements

Implemented:

• **One-click week of rides** – Set up a weekly slate of rides with assigned drivers & passengers for a carpool based on each family’s inputs

• **Smart carpool creation** – Algorithmically create “carpool clusters” and automatically invite parents to those carpools

• **Other initiatives** – enhanced route matching to make more matches for parents

Implementation scheduled for Fall 2019:

• **Incentivize drivers & riders** – Enable credit system to help the driver cover the expenses of driving and enable parents who feel like they can’t “drive their share” to still participate
Options

- Continue the Pogo Pilot Project for Cupertino High School
- Expand to other Schools
  - Monta Vista
  - Homestead High School
- Terminate program after program expires in June
Pricing

- Continue Cupertino High School - **$2,200**
  - $500 licensing
  - $1,700 to meet Cyber Liability insurance requirements requested by the City

- Expand to 2 additional schools (and CHS) - **$6,200**
  - $1,500 licensing covering 3 schools
  - $3,000 for onboarding and marketing material for two new schools
  - $1,700 Cyber Liability insurance
Thank you!
CITY OF CUPERTINO

Upcoming Draft Agenda Items

City Council

Monday, April 22, 2019

Closed Session

19-5260  Subject: Conference with Legal Counsel - Anticipated Litigation: Significant exposure to litigation pursuant to paragraph (2) of subdivision (d) of Government Code Section 54956.9: One Potential Case (regarding tort claim).

Tuesday, April 30, 2019

Study Session

19-5047  Subject: Study session on CIP (5:30)

Tuesday, May 7, 2019

Study Session

18-4769  Subject: Study session regarding Code of Ethics and Conduct for Elected and Appointed Officials (move to regular meeting after consent)

19-5154  Subject: Study Session regarding Sports Center Cell Tower (5:30 PM)

Ceremonial Matters & Presentations

19-4999  Subject: Public Works Week Proclamation - May 19-25, 2019 (Chad/Carl)

19-5080  Subject: <hack> Cupertino Winner Presentations and Proclamations

Consent Calendar

18-4772  Subject: Approve the April 16 City Council minutes

19-5238  Subject: Declare properties as having potential fire hazards from brush and set hearing to declare a public nuisance and for objections to proposed removal

Public Hearings

19-4883  Subject: Storm Drain Hearing Notice Results (Roger)

Ordinances and Action Items

19-4884  Subject: 1st Reading of Ordinance No 19-XXX to amend Municipal Code 3.? adding a new chapter for Clean Water and Storm Protection charge

19-4921  Subject: Award Bike Boulevard Phase 1 Construction Contract

19-5263  Subject: Stevens Creek Corridor Transportation Multi-Jurisdictional Resolution

19-5284  Subject: Vallco referendum placeholder
Wednesday, April 10, 2019

19-5295 Subject: Receive Apple Donation for Transportation Projects Funding

Report by Council and Staff

18-4786 Subject: Report on Committee assignments and general comments
19-4998 Subject: Annual Pavement Report (Roger)
19-5061 Subject: Water Asset Management Plan

Monday, May 13, 2019

Study Session

18-4307 Subject: Study Session regarding Proposed Budget (5:30 PM)

Closed Session

19-5285 Subject: Closed Session People vs. Chang (5:00)

Tuesday, May 21, 2019

Commission Interviews

19-5213 Subject: Conduct interviews and appoint one Housing Commission Financial Representative and any alternates (5:30 PM)

Ceremonial Matters & Presentations

19-5063 Subject: Regnart Creek Improvements Design Update (Before Junipero Serra)

Consent Calendar

18-4306 Subject: Accept Q3 Budget Reports
19-5098 Subject: Approve the April 30 City Council minutes
18-4773 Subject: Approve the May 7 City Council minutes
19-5219 Subject: Amend Recology Franchise Agreement for HHW; Amend HHW Contract with Santa Clara County & Approve a $60,000 Budget Augmentation/organics reimbursement/recycling commodity issue
19-5298 Subject: Approve the May 13 City Council minutes

Public Hearings

18-4601 Subject: A boutique hotel on a 1.72-acre site in the Cupertino Village Shopping Center. The project would also involve demolition of two existing commercial buildings on the sites. The development would be a new 5-story, 185-room boutique hotel including event meeting rooms, a restaurant, and rooftop lounge and bar. A Mitigated Negative Declaration is proposed. Application No(s): GPA-2017-05, DP-2018-04, DA-2017-01, ASA-2017-09, TR-2017-46 (EA-2017-06); Applicant(s): Michael Strahs (Kimco Realty); Location: 10801 and 10805 N Wolfe Road APN#316-45-017, 316-50-056

Ordinances and Action Items

18-4737 Subject: Consider updates to the City's Policies and Guidelines on Sister Cities, Friendship Cities, and International Delegations
Wednesday, April 10, 2019

19-5101  Subject: Legislative priorities
19-5114  Subject: Junipero Serra Trail Feasibility Study (After Regnart Creek)

Reports by Council and Staff
18-4787  Subject: Report on Committee assignments and general comments

Tuesday, May 28, 2019

Commission Interviews
19-5300  Subject: Interview candidates and make appointments for six vacancies on the Teen Commission and any alternates

Wednesday, May 29, 2019

Commission Interviews
19-5301  Subject: Interview candidates and make appointments for six vacancies on the Teen Commission and any alternates

Tuesday, June 4, 2019

Meeting Cancelled
TMP-004

Tuesday, June 18, 2019

Study Session
19-5231  Subject: BMR Linkage Fees update (5:30 p.m.)

Ceremonial Matters & Presentations
19-5103  Subject: Proclamation declaring July as Parks and Recreation month

Consent Calendar
19-5099  Subject: Approve the May 13 City Council minutes
18-4775  Subject: Approve the May 21 City Council minutes
19-5116  Subject: Citywide Janitorial Contract Amendment beginning FY19-20
19-5118  Subject: 3 Month Extension of Current Street Sweeping Agreement
19-5299  Subject: Approve the May 28-29 City Council minutes

Public Hearings
19-5278  Subject: CDBG Annual Action Plan
18-4308  Subject: Budget Adoption plus CIP
19-5091  Subject: Non-point Source Fee Renewal

Ordinances and Action Items
19-5097  Subject: Adoption of Emergency Operations Plan
19-5100  Subject: POGO
19-5264  Subject: Award Annual Concrete Project
19-5239  Subject: Receive any objections to proposed removal of brush and order abatement of the public nuisance and potential fire hazard
Reports by Council and Staff
