SUBJECT: 4th of July Fireworks Celebration

Dear Residents:

The Parks and Recreation Department is pleased to announce that the City's annual 4th of July fireworks show will again resume this year. The fireworks will be launched from Hyde Middle School on Thursday, July 4th at 9:30 p.m. For safety reasons, the Hyde Middle School campus will be closed and no spectators will be allowed at this location.

Please review the below information for important notices that may impact your neighborhood. We ask that you consider these viewing locations, street closures, and parking restrictions as you plan your 4th of July celebration. Event logistics may change - please visit the events page over the coming weeks for updates: www.cupertino.org/4thofJuly.

Viewing Locations

The City has identified three recommended viewing locations:

- Creekside Park, 10455 Miller Avenue
- Sedgwick Elementary School, 19200 Phil Lane
- Miller Avenue (between Bollinger Road and Phil Lane) - *Spectators will be allowed to find a spot on the street after the street has been safely closed at 5:00 p.m.*

Parking will be very limited – it is recommended that you walk, bike, or have someone drop you off if you wish to view the fireworks from these locations. We encourage you to bring a picnic, look for signage and direction from staff as to the exact location where fireworks will be viewable, and settle in for the fireworks show. Due to the anticipated crowd size, no pets will be allowed at the viewing sites. This is for the safety of the pets, as well as the safety of others. Limited ADA parking will be available at Sedgwick Elementary School.

Safety & Street Closures

The City is working closely with our law enforcement partners, the Santa Clara Sheriff's Office and Santa Clara County Fire, to ensure a safe event. A dedicated fire engine will be on site at Hyde Middle School to monitor the launch site and any danger from falling embers. The Hyde Middle School campus will be off limits to spectators. Additionally, there will be no pedestrian traffic allowed on Hyde Avenue, Shadygrove Court, Disney Lane, and portions of Shadygrove Drive and Stendhal Lane after 8:00 p.m. Pedestrian traffic will not be allowed in this area to ensure that public safety vehicles have clear access to the streets adjacent to the launch site.

Necessary streets will be **closed to vehicles** anytime between 4:00 p.m. to 1:00 a.m. and **pedestrian traffic** from 8:00 p.m. to 1:00 a.m. Street closures will be staffed by Sheriff's Deputies and City representatives. The closed streets include:

- Miller Avenue (Between Bollinger Road and Phil Lane)
- Atherwood Avenue (Between Candlewood Drive and Miller Avenue)
- Howard Court
- Disney Lane (Between Miller Avenue and Stendhal Lane)
- Phil Lane (Between Miller and S. Tantau) - closed only for traffic turning from S. Tantau Avenue
- Stendhal Lane (Between Disney Lane and Phil Lane)
- Shadygrove Drive (between Tantau Avenue and Stendhal Lane)
- Hyde Avenue (Between Bollinger Road and Shadygrove Drive)
- Willowgrove Lane (Between Hyde Avenue and Brookgrove Lane)
- Brookgrove Lane
- Ferngrove Lane

Following the event, Sheriff's Deputies will manage pedestrian and traffic flow in the neighborhood and viewing sites to ensure a smooth trip home.

No Parking/Towing of Vehicles

There will be no parking from 3:00 p.m. to 1:00 a.m. on Miller Avenue (from Bollinger Road to Phil Lane) and Hyde Avenue (from Bollinger Road to Shadygrove Drive). There may be additional areas posted as No Parking as the event details are finalized. Any vehicles parked in posted "No Parking" locations will be towed.

Enjoy the Show!

To ensure the best viewing, please turn off your porch lights or landscape lighting during the fireworks show. For their safety and well-being, bring pets inside. Also, be aware that fireworks could trigger car alarms.

If you have any questions about the fireworks show or would like to talk with our event team, please contact the Parks and Recreation Department at (408) 777-3120 during business hours, Monday through Friday from 8:00 a.m. to 5:00 p.m., or email recreation@cupertino.org.

We look forward to seeing you on July 4th.

Sincerely,

Jeff Milkes, Director
Parks and Recreation Department
