FOR IMMEDIATE RELEASE
March 9, 2020 – 5:00 p.m.

CITY OF CUPERTINO

PRESS RELEASE

CONTACT: Brian Babcock
Communications Officer
Telephone: (408) 777-3262

The City of Cupertino continues to monitor the effects of COVID-19 (coronavirus). The safety of our residents, staff, and visitors remains our highest priority. The following information regards the City’s response to the latest recommendations from the County of Santa Clara Public Health Department. These reports will be released every weekday at 5:00 p.m.

Cancellations/Postponements of Events/Meetings and Changes to Operations

- Nonessential City organized or cosponsored events and meetings have been canceled through mid-April. They include:
  - Block Party Planning (Postponed)
  - Coffee Talks (Canceled)
  - Cultures of the World – Italy (Canceled)
  - Cultures of the World – Japan (Canceled)
  - Earth and Arbor Day Festival (Canceled)
  - Egg Hunt (Canceled)
  - Fit Fest (Postponed)
  - <hack> Cupertino (Postponed)
  - Holi (Postponed to date certain: May 9, 2020)
  - Kid Fit (Postponed)
  - NASA Speaker Series (Postponed)
  - WAFU Ikebana Society Flower Show (Canceled)

Online Services

- While all City services remain operational, residents and businesses are encouraged to use these online services instead of visiting City Hall:
  - To report issues in your neighborhood, visit cupertino.org/311
  - For Building, Planning, Housing, and Code Enforcement services and permits, visit cupertino.org/our-city/departments/community-development
  - For Public Works services and permits, visit cupertino.org/publicworks
**City Services that Remain Operational**

- All City facilities and parks remain open.
- City Council and Commission meetings are scheduled as normal with recommended social distancing.
- Waste collection continues as normal.

**Updates Regarding Other Organizations**

- De Anza College: [http://www.deanza.edu/healthservices/coronavirus.html](http://www.deanza.edu/healthservices/coronavirus.html)

**Health Prevention Tips: Practice Good Hygiene**

- Avoid close contact with people who are sick.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash. Avoid touching your eyes, nose, and mouth.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Wash your hands often with soap and water for at least 20 seconds, especially before eating, after blowing your nose, coughing, or sneezing, and certainly if your commute includes public transit.
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if your hands are visibly dirty.
