Daily Report: COVID-19 Response Update

The City of Cupertino continues to monitor the effects of COVID-19 (coronavirus). The safety of our residents, staff, and visitors remains our highest priority. The following information regards the City's response to the latest recommendations from the County of Santa Clara Public Health Department. These reports will be released every weekday at 5:00 p.m. For more information, visit cupertino.org/coronavirus.

Updates on City Actions and Services

- All park playgrounds have been closed by the City of Cupertino's Public Works Department. This is another effort the City is taking to help slow the spread of COVID-19. Playground closures will be reassessed as the City receives updated information from Santa Clara County Public Health Department.
- All City facilities remain closed until further notice.
- While City Hall is closed to the public, services are still available online at cupertino.org and by phone at (408) 777-3200.
 - To submit requests for service, visit cupertino.org/311
 - For Building, Planning, Housing, and Code Enforcement services and permits, visit cupertino.org/communitydevelopment
 - For Public Works services and permits, visit cupertino.org/publicworks
- Some Cupertino businesses—including grocery stores, supermarkets, coffee shops, restaurants and more—continue to operate through the County of Santa Clara's "Shelter in Place" order. These businesses, identified as "essential businesses" per the County's definition, can be found at cupertino.org/openforbusiness.
- On-call clean ups or bulky item pickups by Recology have been suspended in Cupertino at this time. Cart and bin exchanges have also been suspended unless there is a safety issue. Regular waste collection continues. Contact Recology at (408) 725-4020 or (408) 971-5100, or email recologysouthbay@recology.com.

What Does the County’s “Shelter in Place” Order Mean?
